

Call for Board Director.

BC Safety Authority (BCSA) wishes to recruit one director for a three (3) year term commencing on March 31, 2015.

BCSA's Board appoints qualified management, provides strategic advice and oversees BCSA's business performance, financial reporting and risk. In light of its 10-Year Strategy and organizational performance, BCSA is seeking candidates with a combination of industry knowledge and experience in BCSA-regulated technologies and safety. Candidates must be willing and able to participate in Board and Committee meetings every four to six weeks.

For more information about BCSA, the selection process, qualifications and to submit an application, please visit www.safetyauthority.ca.

The deadline for submitting applications is Monday, February 16, 2015.

Safe Technical Systems. Everywhere.

BC Safety Authority is an independent, self-funded organization mandated to oversee the safe installation and operation of technical systems and equipment. In addition to issuing permits, licences and certificates, it works with industry to reduce safety risks through assessment, education and outreach, enforcement, and research.

The information provided in response to this call for directors is collected under the authority of the Freedom of Information and Protection of Privacy Act (Section 26). It is required for the recruitment and selection of directors and is used to record information about applicants and as a basis for determining suitability for appointment to the Board of Directors. If you have any questions about the collection, use and disclosure of this information, contact foi@safetyauthority.ca.
