ECA Contractors,

Re: Electrical Project Supervision Course – Gold Seal Accreditation

Please be advised that any past graduates of the Electrical Project Supervision course completing all three levels successfully are eligible to receive their “Gold Seal accreditation”. There will be no wholesale issuing of the certificates but simply done only on request. They may contact Megan Roberts at the CECA office directly at 416.675.3226 ext. 300 or e-mail mroberts@ecao.org

There will be no wholesale issuing of these certificates, so you must apply individually to CECA.
