The Canada-BC Job Grant (CJG) Funding Near Completion

Dear Members,

We have been advised that the Canada-BC Job Grant program will soon meet its funding targets for this fiscal year.

On May 7, 2015, the following message was posted on the Canada BC Job Grant website by the Ministry of Jobs, Tourism and Skills Training (<https://www.workbc.ca/Employers/Run-your-business/Canada-B-C-Job-Grant.aspx>)

“The Canada-B.C. Job Grant will meet its funding targets for 2015/16 very shortly. All pending and future grant applications are subject to funding availability and will be processed on a first-come/first served basis. Please note that applications submitted within the next few weeks may or may not be funded”.

Based on the current status of the Grant, the YMCA of Greater Vancouver is no longer able to support and deliver grant applications on employers’ behalf. Please submit them directly through the Ministry website listed below:

<https://www.workbc.ca/Employers/Run-your-business/Canada-B-C-Job-Grant/How-to-Apply.aspx>

Any questions or inquiries about the program can be directed to the Ministry at cjginfo@gov.bc.ca

We thank you for your support of the Grant and ECABC’s Education Program. We look forward to continuing to expand our course offerings to meet all of your training needs, and will keep you advised of any future funding opportunities.
