Objective

To gain as much skills and experience as possible, while working in an environment where I can learn from others.

Education and Training

- Graduated high school June 2005 with diploma from John Paul II Collegiate.
- Completed French Immersion program with Bilingual Certificate upon high school graduation.
- Completed 1st Period Electrical at NAIT in October 2008

Work History

- Aug 2007 - Apr 2008: **K-Jay Electric Ltd.** 1st year apprentice. Spent nine months working in the trade with K-Jay. Experienced in residential and a small amount of commercial electrical work (Rough-In's, Final Work, etc.).
- Apr 2008 - Aug 2008: **KVR Electric Ltd.** Spent four and a half months as a 1st year apprentice with KVR. Duties still included residential wiring, along with learning some troubleshooting.
- Nov 2008 - Feb 2009: **Dacor Electric Ltd.** Spent four and a half months working as a 2nd year apprentice with Dacor. Duties included some residential, but mostly commercial retrofitting. Work ended by lay-off due to lack of work.
- Apr 2009 - July 2009: **Polar Electric Ltd.** Spent my first few months in Vancouver working in a multi-apartment complex. Duties included rough-in's, finishing, etc.
- July 2009 - Oct 2009: **Lion's Gate Electric Ltd.** Worked in residential areas wiring new houses, as well as re-wiring older ones. Spent the majority of my time with the company working at the Vancouver Wharves. Work on the wharf consisted of making long power runs as well as low voltage runs between buried vaults for a new enviro safe pump system.

Additional Information

- Bilingual: I speak both French and English fluently.
- I am a quick learner, and work well as a team member or alone.
